Rice new 5½

Parenthetically, I would like to add, by naught save his own exertion, and that it seems to me, that by the time fitted himself for the pulpit.

We have to say, in behalf of the young man who gave us the information alluded to, that he is well known, and universally respected in this community. He is neither ashamed nor afraid to tell where he came from, nor

President Locke's note last week half-past four! Because he can't leave certainly puts Mr. Binkley in a very by for (be-fore.) unenviable position, so far as the approbation of the Faculty is concerned.

had Mr. Binkley's name been attached to his first article, it would have been as harmless as his great prototype,
